Location Plan

A new Lidl for Northstowe

Lidl GB is consulting on plans for a new foodstore on the former Pentair Hypro EU site on Station Road, Northstowe.

A new Lidl store on this site would serve the growing Northstowe community and the surrounding villages. It would increase local shopping choice in a convenient location, create new jobs and regenerate a currently vacant brownfield site.

We would like to know what the community thinks of these proposals.

The proposals

Lidl is proposing to redevelop the former Pentair Hypro EU industrial site on Station Road in Northstowe. The proposals include:

A new high quality Lidl foodstore with net sales area of 1,529 sqm, including modern in-store facilities like our popular bakery, and customer toilets

Easily accessible for the growing Northstowe community, with pedestrian and cycle routes passing the store, and attractive routes to the store entrance

Lidl has an ongoing commitment to enhance the environmental sustainability of its stores. A range of technology is used in store to minimise energy use, while solar panels on the store's roof will provide around 25% of the store's energy requirements

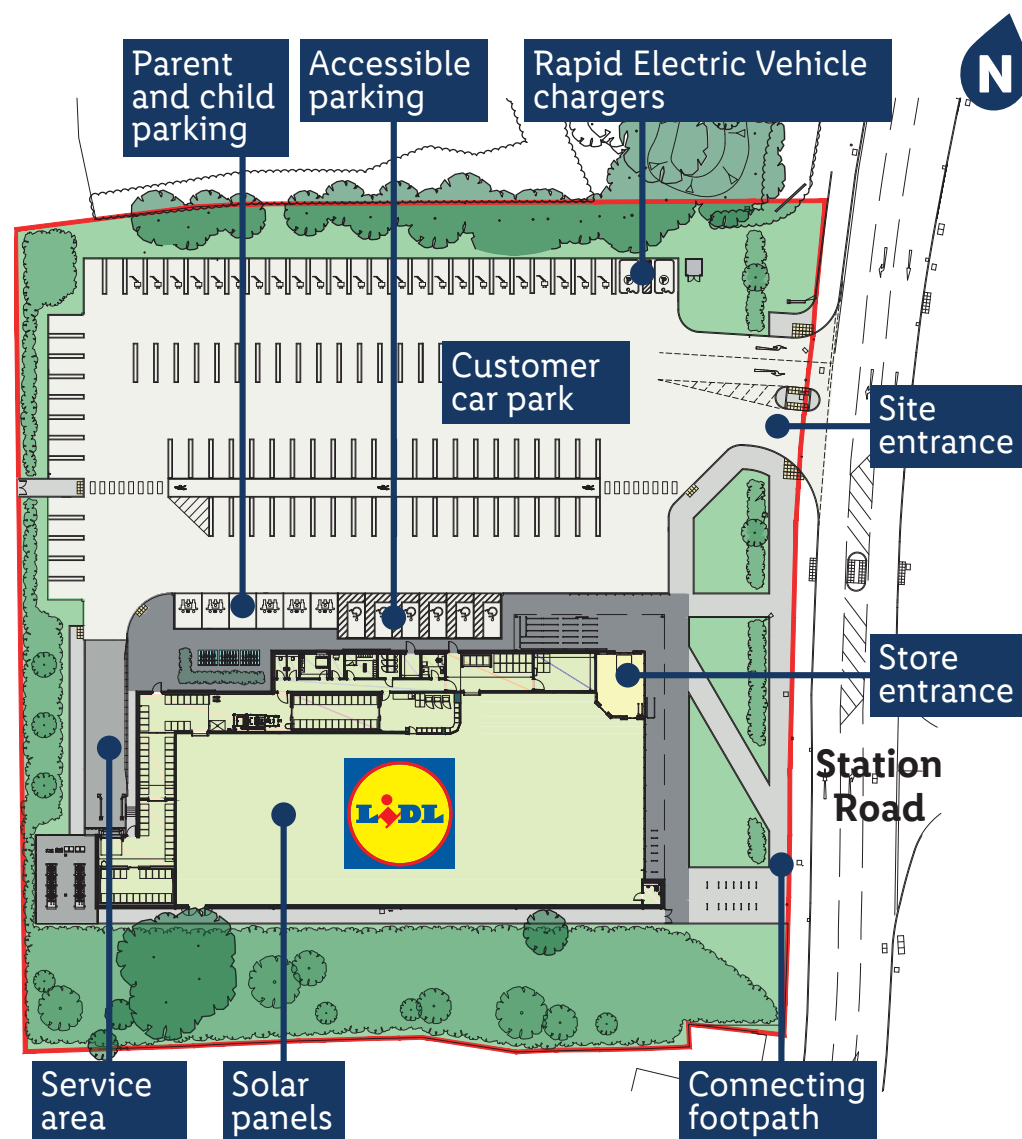

115 car parking spaces, including 6 disabled spaces, 6 parent and child, and 2 electric vehicle charging spaces with in built capacity to provide more as demand increases

Significant new landscaping is proposed to enhance the site and screen the development from neighbouring properties. As many existing trees as possible will also be retained along the site boundaries

Around 40 jobs for local people, including full and part-time roles. Lidl GB pay rates for hourly-paid colleagues is a minimum of £13 per hour, increasing to £13.95 with length of service

Our award-winning bakery!

Whether it's tasty Belgian buns, all butter croissants or our range of breads and cakes, we have something Northstowe residents love - all at great prices.
